**For Immediate Release**

**H183 BY FOUR WINNS: THE BOAT WITH ALL THE ANSWERS!**

*Cadillac, Michigan...* Four Winns has the ideal boat for those who love fishing *and* water sports. The H183 by Four Winns converts from ski boat to fishing boat, and back again with little effort. The H183 measures a comfortable 17' 5", with a 7' 7" beam. Whether it's a day of fishing or water sports, this boat has the capacity for plenty of gear and guests.

In either configuration, the main cockpit has port and starboard bucket seats. There are two built-in casting chairs – one for the aft platform and one for the forward platform. Once the bow is converted for fishing, you'll find the placement of the power outlet convenient for the 12 VDC trolling motor, and the fish finder and depth sounder is visible from the bow or captain's chair. The standard rod holders make landing the "big one" a sure thing!

When in "lounging mode," the bow is a comfortable perch with seating and hinged cushions, along with a wrap-around backrest. Bow fill-in cushions are even standard for stretching out on a lazy afternoon. And of course Aquaflex™ vinyl in tasteful color arrangements that compliment exterior gel coat colors. The cockpit includes new carpet that is both attractive and durable over a fiberglass liner.

Four Winns provides plenty of storage for this versatile boat. In the floor, there's a locker large enough for skis, kneeboards and wakeboards. There's also loads of storage beneath the bow seats and in the sidewalls of the cockpit. Fishing permits and other small items can be stowed in the lockable glove box. A livewell is built into the aft platform.

An integrated swim platform is equipped with a hidden deep-reach ladder with wide step pads for swimmers' comfort. Plus, new standard features include a rub rail with a flexible chrome insert, and stainless steel grab handles and beverage holders. Blue courtesy lighting is another helpful standard upgrade for 2009.

Angler and water sports buffs alike will marvel at the H183's smooth steering and swift power. Four Winns' patented, Stable-Vee® hull provides a smooth, stable ride across the whole range of RPMs. The helm is designed to fit a variety of drivers, thanks to a new updated tri-spoke tilt steering wheel. New helm and port console materials have been selected for an updated appearance. Plus, for optimal operations, the H183 boasts a standard built-in battery charger.

A Sony AM/FM/CD player stereo standard, and features a new standard Bazooka® subwoofer. An iPod/MP3 port and 12 VDC receptacle make it easy to enjoy a music collection or charge a cell phone.

Four Winns offers premium exterior gel coat for beauty and durability. The standard full gel band is a wide swath of color, and is available in six colors, including the new Pastel Blue and Pastel Yellow. An all-white gel scheme is also available. A hull accent tape is included in a matching or contrasting shade for a wide range of color scheme possibilities. Optional wave graphics with silver highlighting can be applied over the top of the full color band, along with a silver hull accent tape.

Customers can choose from Volvo Penta's 3.0 GL/SX 135 hp, or 4.3 GL/SX 190 hp; or an Alpha Drive from MerCruiser with 3.0 L 135 hp or 4.3 L 190 hp.

A custom matched Four Winns Sure-Load™ trailer is a key part of what makes this package such a good one. Disc brakes are standard for safety and a space-saving swing away tongue makes storage easier. Its low-profile, bunk design keeps the boat's center of gravity low, for greater stability while towing. Because it has been custom-designed to fit the running surface, launching and loading are quick and easy. Ideal for saltwater use and long-hauls, the galvanized trailer with GatorHyde™ is an option for even greater durability. A trailering cover is an additional option.

### **Winning Edge Owner Protection Plan**

All Four Winns boats for 2009 provide boaters with one of the most comprehensive warranties in boating.

- Lifetime limited warranty on structural components of the hull and deck
- Five years of pro-rated protection against osmotic hull blistering
- Two years limited warranty coverage on non-structural parts and components
- One-year limited warranty against cracking, crazing or fading of the exterior gel coat finish

### **Four Winns - A Genmar Boat Company**

Four Winns is a division of the Genmar family of boat brands. Genmar, with approximately 4,000 employees and five manufacturing centers, is the builder of 14 premier brands of recreational boats which include Carver®, Champion®, Four Winns®, Glastron®, Hydra-Sports®, Larson®, Marquis®, Ranger®, Scarab®, Seaswirl®, Stratos®, Triumph®, Wellcraft®, and Windsor Craft®. Genmar boats are sold worldwide through its approximately 1,100 dealers. Additionally, Genmar utilizes its proprietary VEC® Technology and the Roplene® process in both the manufacture of certain of its recreational boats and for third-party manufacturing.
