For Immediate Release

THE WATER IS CALLING: ANSWER IT WITH THE H190

Cadillac, Michigan... When some free time on the water sounds appealing, consider the H190. The H190 fits the budget of most boat buyers. Four Winns has priced it to be among the most competitive in its category, especially considering the many extra features that are included in the standard price.

At 18'6", the H190 is built for boaters young and old, families or singles. The Stable-Vee® hull design ensures a smooth, comfortable ride across the full range of RPMs. Plus, seating is ample and versatile, with adjustable hi-low seats at the stern, and a back/back lounge on the port/passenger side. In the cockpit, new bucket seats are accommodating and comfortable. And at the bow, a wrap-around backrest and forward backrest are standard. Of course, seats feature Aquaflex™ vinyl, in tasteful color arrangements that compliment exterior gel coat colors. The cockpit includes new carpet that is both attractive and durable over a fiberglass liner.

Like all Four Winns, there's storage aplenty aboard the H190: Hinged lids lift to reveal storage beneath the bow seats and behind the bow backrest. A large, in-floor locker provides space for oversized gear. There's a dedicated storage area beneath the forward bow seat for an anchor. A port console glovebox keeps small items from getting misplaced.

The new H190 also fits nicely in the garage, thanks to the swing-away tongue design of the Sure-Load™ trailer. Four Winns is one of the only boat manufacturers in North America to manufacture its own trailers, so buyers can be assured of great stability with the low-profile, bunk design that keeps the boat's center of gravity low. Tops in safety, this Four Winns trailer is equipped with disc brakes. Because it has been custom-designed to fit the running surface, launching and loading are quick and easy. Ideal for saltwater use and long-hauls, the galvanized trailer with GatorHyde™ is available for even greater durability. A trailering cover is now an option.

The helm of the H190 is designed to fit a variety of drivers, thanks to a newly upgraded tri-spoke tilt steering wheel. New helm and port console materials have been selected for an updated appearance. The gauges have polished bezels and are surrounded by a backdrop of titanium-look trim. A tachometer with hour meter is standard, and a new standard depth gauge displays air and water temperature for added convenience.

Sony AM/FM/CD player stereo is standard, and features a new standard Bazooka® subwoofer. An iPod/MP3 port and 12 VDC makes it easy to enjoy a music collection or charge a cell phone.

An integrated swim platform is equipped with a hidden deep-reach ladder with wide step pads for swimmers' comfort. Plus, new standard features include pull-up cleats, a rub rail with a flexible chrome insert, and stainless steel grab handles and beverage holders. Displaying patriotic pride

can now be even easier with the optional flagpole and holder. Blue courtesy lighting is another helpful standard upgrade for 2009.

Four Winns offers premium exterior gel coat for beauty and durability. The standard full gel band is a wide swath of color, and is available in six colors, including the new Pastel Blue and Pastel Yellow. An all-white gel scheme is also available. A hull accent tape is included in a matching or contrasting shade for a wide range of color scheme possibilities. Optional wave graphics with silver highlighting can be applied over the top of the full color band, along with a silver hull accent tape.

Customers can choose from Volvo Penta's 4.3 GL/SX 190 hp, or 4.3 GXi/SX 225 hp; or MerCruiser's 4.3 L/Alpha 190 hp or 4.3 MPI/Alpha 220 hp.

Winning Edge Owner Protection Plan

All Four Winns boats for 2009 provide boaters with one of the most comprehensive warranties in boating.

- Lifetime limited warranty on structural components of the hull and deck
- Five years of pro-rated protection against osmotic hull blistering
- Two years limited warranty coverage on non-structural parts and components
- One-year limited warranty against cracking, crazing or fading of the exterior gel coat finish

Four Winns - A Genmar Boat Company

Four Winns is a division of the Genmar family of boat brands. Genmar, with approximately 4,000 employees and five manufacturing centers, is the builder of 14 premier brands of recreational boats which include Carver®, Champion®, Four Winns®, Glastron®, Hydra-Sports®, Larson®, Marquis®, Ranger®, Scarab®, Seaswirl®, Stratos®, Triumph®, Wellcraft®, and Windsor Craft®. Genmar boats are sold worldwide through its approximately 1,100 dealers. Additionally, Genmar utilizes its proprietary VEC® Technology and the Roplene® process in both the manufacture of certain of its recreational boats and for third-party manufacturing.
