**For Immediate Release**

**A BOATLOAD OF VALUE AND RECREATION: FOUR WINNS H203**

*Cadillac, Michigan...* The H203 is packed with features and flexibility, appealing to those who love fishing and water sports. At 19'6" with the swim platform, the H203 sports an 8'5" beam. That means there's plenty of space for friends, family and gear.

Whether you are hurrying to your favorite fishing hole or pulling a skier out of the hole, the H203 comes on plane quickly. Four Winns' patented, Stable-Vee® hull provides a smooth, stable ride across the whole range of RPMs. The helm is designed to fit a variety of drivers, thanks to a new updated tri-spoke tilt steering wheel. New helm and port console materials have been selected for an updated appearance.

Sony AM/FM/CD player stereo is standard, and features a new standard Bazooka® subwoofer. An iPod/MP3 port and 12 VDC receptacle make it easy to enjoy a music collection or charge a cell phone.

Whether you choose fishing or skiing, the main cockpit is accommodating with adjustable port and starboard bucket seats that are very roomy. The aft bench seating doubles as two fishing chairs. Bow seating is ultra comfortable with fill-in cushions perfect for lounging. Of course, seats feature Aquaflex™ vinyl in tasteful color arrangements that compliment exterior gel coat colors. The cockpit includes new carpet that is both attractive and durable over a fiberglass liner.

Once the bow is converted for fishing, you'll find the placement of the power outlet convenient for the 12 VDC trolling motor, and the fish finder is visible from the bow or captain's chair. An anchor can be stored in the dedicated bow locker. A depth sounder and fish finder is also included so you can safely find that favored fishing spot. Two fishing rod holders are included to help make the outing as relaxing as can be.

An integrated swim platform is equipped with a hidden deep-reach ladder with wide step pads for swimmers' comfort. Plus, new standard features include a rub rail with a flexible chrome insert, and stainless steel grab handles and beverage holders. Blue courtesy lighting is another helpful standard upgrade for 2009. A power trim switch can be added at the transom, and an optional flag pole and holder can be mounted at the stern to showcase school or national pride.

Four Winns understands that there's never enough storage on-board, so the company has carved compartments into every available area. There's storage beneath the bow seats and in the sidewalls of the cockpit. An in-floor ski locker provides room for oversized gear including wakeboards or skis. Lures can be kept organized in the integrated tackle box, while fishing permits and other small items can be stowed in the lockable glove box. A recirculating livewell is

built into the aft platform.

Four Winns offers premium exterior gel coat for beauty and durability. The standard two-tone narrow band gel scheme is available in six colors, including the new Pastel Blue and Pastel Yellow. An all-white gel scheme is also available. Included is a hull accent tape. Optional wave graphics with silver highlighting can be applied over the top of the full color band, along with a silver hull accent tape.

Customers can choose from many engine choices: Volvo Penta choices range from 4.3 GL/SX 190 hp to 5.0 GXi/SX 270 hp; or MerCruiser power from 4.3 L/Alpha 190 hp to 5.0 MPI/Alpha 260 hp.

A Four Winns Sure-Load™ trailer is a key part of what makes this package such a good one. Its low-profile, bunk design keeps the boat's center of gravity low, for greater stability while towing. Because it has been custom-designed to fit the running surface, launching and loading is quick and easy. Ideal for saltwater use and long-hauls, the galvanized trailer with GatorHyde™ is available for even greater durability, and the color-matched trailer is equipped with brakes and a space-saving swing-away tongue.

### **Winning Edge Owner Protection Plan**

All Four Winns boats for 2009 provide boaters with one of the most comprehensive warranties in boating.

- Lifetime limited warranty on structural components of the hull and deck
- Five years of pro-rated protection against osmotic hull blistering
- Two years limited warranty coverage on non-structural parts and components
- One-year limited warranty against cracking, crazing or fading of the exterior gel coat finish

### **Four Winns - A Genmar Boat Company**

Four Winns is a division of the Genmar family of boat brands. Genmar, with approximately 4,000 employees and five manufacturing centers, is the builder of 14 premier brands of recreational boats which include Carver®, Champion®, Four Winns®, Glastron®, Hydra-Sports®, Larson®, Marquis®, Ranger®, Scarab®, Seaswirl®, Stratos®, Triumph®, Wellcraft®, and Windsor Craft®. Genmar boats are sold worldwide through its approximately 1,100 dealers. Additionally, Genmar utilizes its proprietary VEC® Technology and the Roplene® process in both the manufacture of certain of its recreational boats and for third-party manufacturing.
