For Immediate Release

TIME FLIES... BOATERS WILL WISH TIME TO SLOW ABOARD THE H240

Cadillac, Michigan... Good times go by too fast. But with the H240, the good times are easy to be had over and over again. Whether it's a family, or a bunch of friends, the H240 is fit for entertaining with a practical refreshment center with a spacious solid-surface countertop, a sink with pressurized water and a handy trash compartment. Plus, there's a removable 36-quart cooler. For added style and durability, cup holders are stainless steel. Capacity for potable water aboard the H240 is a generous 12 gallons.

When it is time to take a step beyond the classic sport boat, the H240 can be outfitted with stunning additions sure to please the most progressive boaters. New for 2009 the H240 is available as a Frenzy edition for those who demand a unique look. The Frenzy edition includes signature exterior graphics that represent the action and thrill of water sports. Color options include Jet Black, Sunset Orange, True Red and Classic Navy. Frenzy helm and port console gel coating matches the exterior color. Seating also features color-coordinated vinyl trim and sew patterns to accent the exterior. Specially designed carpet in the Frenzy edition mimics the pattern of the exterior graphics as well.

In addition to exterior appearance, the H240 can be geared up for more advanced water sports. Add the Ultimate Wakeboard Tower or Arch package as the next step in customizing for wake sporters, equipping it with either a stainless steel arch with ski tow or a wakeboard tower – both include board racks and a custom bimini top. The package also includes lights, extra stereo speakers, a ski mirror (with tower only), and a swim platform mat.

In the H240 cockpit, bucket seats are accommodating with suspension and bolster for an extra smooth ride. The deluxe bucket seats also feature improved adjustment mechanisms that allow rotation and forward/aft movement, and headrests that boast the Four Winns logo. And the unique stern seat converts on a whim into two separate loungers. On top of it all, the walk-over transom features a flip-up hinged center sunpad, along with walk-thru doors. Of course, seats feature Aquaflex™ vinyl, in tasteful color arrangements that compliment exterior gel coat colors. The cockpit includes new carpet that is both attractive and durable over a fiberglass liner. An optional Florentine Package includes vinyl in a new, deep color reminiscent of beach sand, and high-quality carpet with a teak-like slatted pattern woven in.

As with all Four Winns boats, storage is smart and plentiful. The H240 offers aft deck and in-floor compartments large enough for skis and wakeboards. The bow houses storage behind the backrest and beneath both seats for fast access to the essentials. The U-shaped cockpit seat also conceals generous storage.

The helm features a new carbon fiber-style material. The gauges are accented with polished raised bezels that add another stylish element to the helm. The upgraded tri-spoke tilt steering wheel is framed by controls that are both logically arranged, and very reliable. Rotary switches, toggle-style controls and push-button activators have been specifically chosen to best handle the task they perform.

The Faria gauges include a tachometer with hour meter, fuel gauge, oil pressure, speedometer, temperature, trim, and volt meter. A compass is standard to guide the way. The depth gauge now displays air and water temperature for added convenience. The plastic lenses in these gauges are specially coated to resist fogging and condensation.

Sony stereo entertainment is at the driver's fingertips, conveniently located to the right of the steering wheel. An optional remote control can be requested for use at the swim platform. For serious music lovers, there is a stereo package upgrade that includes a Kicker amplifier and a 10" subwoofer. An iPod/MP3 port and 12 VDC receptacle are at the helm, making it easy to enjoy a music collection or charge a cell phone. The ports are located in a storage cubby lined with non-skid material that minimizes sliding and jostling of electronic devices.

Blue courtesy lighting is a new standard feature for 2009. Adding to the boat's convenience, a portable head and aft shower are included as standard features. The head compartment is fiberglass-lined with a screened portlite window and overhead lighting.

There's an anchor locker at the bow, complete with a hidden ladder. At the swim platform, Four Winns includes its signature angled, hidden deep-reach ladder with wide step pads for the swimmer's comfort. Best of all, the 2009 H240 is available with under swim platform lights that illuminate the water for greater visibility and a superb evening atmosphere. For easy access at service time, the engine hatch has gas assisted lifts.

There are pull-up cleats, stainless steel rub rail, grab handles, and cupholders. A power trim switch is optional at the transom. Showcase patriotic spirit with the new flag pole and holder option. A bow scuff plate is a standard feature. Plus, the Stable-Vee® hull design ensures a smooth, comfortable ride across the full range of RPMs.

The H240 features a bimini top, fabricated from top-quality, high performance Sunbrella® fabric and stainless steel hardware. A newly designed top frame mounting pin makes managing the bimini top even easier. An optional hinging stainless steel arch is ideal for traveling in low clearance areas and great for simple maintenance. In addition, a hard top is available. The walk-thru windshield with magnetic hold is standard.

Every boater is an individual, and Four Winns provides enough exterior gel schemes to satisfy just about any individual. Choose the standard two-tone narrow band premium gel coat finish featuring wave graphics accented with silver highlights. Four Winns gel coat is available in six colors, including the new Pastel Blue and Pastel Yellow. The H240 is also available in all-white with wave graphics. A classic color band option is another option, featuring a wide swath of gel coat along with a matching or contrasting hull accent tape that is positioned just above the water line. The classic color band solid hull is also available, featuring gel coat that completely coats the hull from top to bottom. To further personalize the H240, Four Winns offers the tri-tone gel scheme with or without a wave graphic, which includes a deck stripe, a hull accent tape, and a broad coating of rich gel color in between. The tri-tone is also available with a classic color band solid hull, and with a variety of color combinations.

Customers can choose from many engine choices: Volvo Penta choices range from 5.0 GXi/DP 270 hp to 8.1 Gi/DP 375 hp; or MerCruiser power from 5.0 MPI/Bravo III 260 hp to 377 MPI/Bravo III DTS 320 hp.

A Four Winns Sure-Load™ tandem axle trailer is a key part of what makes this package such a good one. The color-matched trailer has a space-saving swing-away tongue, and its low-profile bunk design keeps

the boat's center of gravity low for greater stability. Because it has been custom-designed to fit the running surface, launching and loading is quick and easy. Tops in safety, this Four Winns trailer is equipped with disc brakes, enhanced LED lights and built-in ratchet straps. A heavy duty jack stand is included. Ideal for saltwater use and long-hauls, the galvanized trailer with GatorHyde™ is available for even greater durability; and a Turbo Lube® system with oil bath bearings facilitates quick and easy visual oil inspections.

SIRIUS Satellite Entertainment

In addition to a Sony stereo AM/FM/CD player, and an iPod/MP3 port with 12-volt charger, Four Winns has outfitted each 2009 model with a SIRIUS satellite entertainment system. Included is a free 6-month subscription to SIRIUS' 100 + commercial free channels. For more information on the SIRIUS satellite system go to www.siriusradio.com where subscribers can also listen on-line.

Winning Edge Owner Protection Plan

All Four Winns boats for 2009 provide boaters with one of the most comprehensive warranties in boating.

- Lifetime limited warranty on structural components of the hull and deck
- Five years of pro-rated protection against osmotic hull blistering
- Two years limited warranty coverage on non-structural parts and components
- One-year limited warranty against cracking, crazing or fading of the exterior gel coat finish

Four Winns - A Genmar Boat Company

Four Winns is a division of the Genmar family of boat brands. Genmar, with approximately 4,000 employees and five manufacturing centers, is the builder of 14 premier brands of recreational boats which include Carver®, Champion®, Four Winns®, Glastron®, Hydra-Sports®, Larson®, Marquis®, Ranger®, Scarab®, Seaswirl®, Stratos®, Triumph®, Wellcraft®, and Windsor Craft®. Genmar boats are sold worldwide through its approximately 1,100 dealers. Additionally, Genmar utilizes its proprietary VEC® Technology and the Roplene® process in both the manufacture of certain of its recreational boats and for third-party manufacturing.
